SA #216

CHAPEL
Lackland Air Force Base
San Antonio, Texas

Hi Everyone.

This is where I go to Church. Pretty nice. I'm not going to become a Blue Beret I'm medically unfit. So they say. I'm going to try for a discharge. I don't want to set behind a desk unless I have to. That's boring. Busses are on strike so we can't get into town. That's fine with me. Things are better on base anyway.

Love Terry
